| ___5. | **Site(s)**: Will the program/course be managed/facilitated from any site other than the main campus?  
☐ Yes ☐ No  

If yes, please provide the following information for the site:  
Address:  
Telephone Number: |
## EXHIBITS | INFORMATION REQUESTED
--- | ---
6. Instructional Materials/Equipment: Provide a list of all instructional materials, learning aids, and equipment to be used for the proposed curriculum. For the instructional materials, indicate the publishers, editors, and copyright dates of each. For the equipment, provide the name, a brief description, as well as the quantity and age of each. Include items that have yet to be acquired, along with the expected date of acquisition.

7. ACCET Document 6 – Faculty/Administrative Personnel Form: Submit a completed Document 6 for each individual designated to instruct or supervise the new program/course. If employment is pending, provide a written job description and minimum education/work experience requirements for each such position.

8. ACCET Document 25.4 – Program Information: Identify the measurable objectives of the program and describe the procedure for evaluating the achievement of each program objective in order to validate the learning process.

9. ACCET Document 25.5 – Course Information: Complete separate course information for each course/subject within the proposed curriculum, regardless of whether this course has been previously approved by ACCET as an individual curricular offering or as part of a different program of study. List specific objectives or competencies that identify the scope and sequence of the course content. Identify the educational methodologies to be used to achieve the course objectives and the assessment tools to measure student progress in achieving the objectives/competencies.

10. ACCET Document 25.6a - Clock Hour Breakdown – By Program and By Course: If applicable, provide a breakdown of the clock hours allocated for lecture and laboratory for each individual course as well as the total number of clock hours in lecture and laboratory for the program.

11. ACCET Document 25.7 – Admissions Standards and Criteria: Complete document 25.7 identifying the specific entrance requirements for admittance to the proposed program/course. Include the requested information relative to any entrance examination, ability to benefit test, and/or other requirements for admittance to ensure that students have a reasonable expectation of successfully completing training and obtaining any licensure/certification, if applicable.
